

Hercules for HandsTM Lemon Lotion

Hand Cleaner

1 Gallon Size
Shown in Optional
Wall Bracket

DESCRIPTION

Developed to remove plastic pipe cement, sealants, adhesives, caulks, paints, tar, printer's ink, grease, and grime. Protects and moisturizes hands with aloe vera, vitamin E, and lanolin - with just enough pumice added to scrub those hard to reach areas. Formulation is non-irritating and leaves hands with a pleasant citrus scent. Ideal for applications where users repeatedly clean hands throughout the course of a workday. Requires no water, no rinsing, dries immediately leaving no residue. Wall bracket available for gallon size container.

Specifications

Hercules for HandsTM
Lemon Lotion

Hercules for Hands™ Lemon Lotion Hand Cleaner

APPROVALS AND LISTINGS

Not applicable.

SPECIFIC USES

Use **Hercules for Hands™ Lemon Lotion** to remove plastic pipe cements, dirt, grease and grime from hands. Non-irritating formula contains no harsh solvents or harsh chemicals, and leaves hands with pleasant citrus scent.

SPECIFIC APPLICATIONS*

Formulated to remove oil-based paints, adhesives, caulks, and ABS, CPVC, and PVC plastic pipe cements from hands. Effectively cleans grease, tar, printer's ink, and many other difficult to remove substances.

PHYSICAL PROPERTIES

Specific Gravity 1.01
Solubility in water: Soluble
Appearance and color: Orange/ Yellow Liquid with sweet lemon scent

WARNINGS OR CAUTIONS

- Read all cautions and directions carefully before using this product.
- Avoid contact with eyes and other sensitive parts of the body.
- Store above freezing temperature. Should product become frozen, restore to room temperature to use.
- **DO NOT USE ON PLASTIC, VINYL, ACRYLICS, POLYESTER, POLYURETHANE AND/OR PAINTED SURFACES.**

DIRECTIONS FOR USE

Apply cleaner directly to soiled skin, add water if possible to remove all trace of pumice and rub well. Use of water is not required to clean hands properly; but it is always good hygiene practice to rinse hands with clean water after use. This product should not be used on facial or other sensitive skin areas.
