- For use on all painted metal surfaces of outdoor A/C condensing units

Description

A/C Shine is specially formulated to clean and protect the painted metal surfaces of outdoor A/C condensing units. It sprays on and wipes off quickly and easily without water. Use A/C Shine on every service call.

Application

For outdoor painted metal surfaces of A/C condensing units, generators and other painted outdoor equipment.

Packaging

12 oz.

Nu-Calgon #	ClenAir #
61118	AC12

Specialized Chemicals

A/C Shine

Directions

Shake can well. Spray a section of the unit & wipe off with a soft cloth. Turn cloth and wipe lightly to enhance shine. Reapply for stubborn dirt or greater shine. Use A/C Shine at least once a year to clean and protect A/C Units. Use on painted surfaces only.
