

# BREAK THROUGH COMBINATION

## Magnetic, Cleanable, Reversible 1/4 and 5/16 inch Hex Chuck Driver!

Exclusive double-duty chuck driver with “Easy Clean Magnet,” ensures that reversible 1/4 in. and 5/16 in. Hex Drives are always at hand!

- Ideal for pairing with Malco Zip-in and Bit-Tip screws.
  - Tested Torque is equal to one-piece, single-size drivers to ensure optimum screw performance.
  - You pay less per hex size versus single drivers of comparable length.
  - Easy-Clean Magnet guards against troublesome build-up of metal shavings.
- Engagement of your Zip-in or Bit-Tip hex head is never compromised so the screw will always seat flush.
