WHY CHOOSE AQUASPEC?

NSF, CSA, and ANSI Standards along with Zurn engineering assures you the finest selection of no-lead, quarter-turn ceramic disc cartridge faucets, all with vandal-resistant designs for institutional and commercial applications.

AquaSpec® faucets provide design solutions for commercial, educational, healthcare, laboratory, and food service markets. Engineered for maximum versatility to meet specification needs. Quality and dependability reduce building owner maintenance costs and provide trouble-free user operation.

THE POWER OF AQUASPEC

- Low-lead all brass construction
- High-polished, chrome-plated finish
- One-piece casting with integral shank
- Heavy-duty ceramic disc cartridge operation
- Interchangeability of spouts, handles and aerators
- Three-year product warranty
