## KTCR11FX 1/4 Turn Straight Stop – Female Compression x Compression

Use: For use in potable water distribution systems in accessible locations only.

#### **Design Features:**

- Machined brass ball is specially engineered and mated with PTFE seats to provide smooth operation
- **Two high-performance o-rings** withstand high temperatures and corrosion
- Machined brass body provides strength, durability, and long-lasting performance
- **Blow-out proof brass stem** is assembled from the inside out with two o-rings to ensure safe, reliable performance
- Plated stem provides corrosion resistance and prevents o-ring damage
- **Metal handle** is designed for durability, corrosion resistance, and a sleek appearance
- Easy-to-remove handle with screw attachment helps protect against accidental stop operation during rough-ins
- 100% leak tested

V

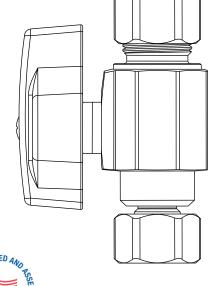

#### **Operating Specifications:**
