

Drain Gun - Charles Gallo Brand

The Drain Gun - Charles Gallo Brand is a lightweight (3oz.) portable tool designed to blow out condensate drain lines instantly. Simply insert a Swoosh CO₂ cartridge into the Charles Gallo Drain Gun and with a press of the trigger — SWOOSH — 800 psi of oil free air clears the line.

INSTRUCTIONS:

- Unscrew cup and insert cartridge with the narrow end up.
- Without depressing the trigger, screw the cup slowly into the head until the cartridge contacts the puncture pin.
- Quickly and firmly screw the unit together to puncture and seal the cartridge in the same motion.

Note: Not completely screwing the unit together may result in escaping gas.

- Release the red safety catch.
- Depress the trigger to discharge the Swoosh CO₂ cartridge. For condensate drains, a quick and full discharge is best.

The Drain Gun - Charles Gallo Brand is for use with condensate drain and oil burner lines only.

SMALL AND LIGHTWEIGHT

The Drain Gun packs cleaning power into a small, lightweight package. This prevents the need for carrying heavy air or nitrogen tanks.

AIR POWER

The Drain Gun uses CO₂, eliminating the mess caused by water back flushing drain lines.

ENVIRONMENTALLY FRIENDLY

The Drain Gun uses carbon dioxide (CO₂), a common component of air, and is totally safe for use in the environment. The Drain Gun is an excellent alternative to the environmentally unfriendly practice of using refrigerant to clean the drain line.

FLEXIBLE HOSE ASSEMBLY

The flexible hose assembly enables you to maneuver through cabinets, coils, and hard to reach drains.

ADAPTER KIT

An adapter kit is available to allow for use on oil burner lines and tighter areas with a 90° fitting.

Fittings increase the versatility of the innovative Drain Gun and are available from your distributor.

90° FITTING FOR TIGHT AREAS

FITTING FOR OIL BURNER LINES

FITTING FOR LARGER DRAINS

CLEARVUE™ TUBE & TRAPS

ClearVue™ Tube

Clear, schedule 40 PVC ideal for installing as condensate drain lines in other areas where seeing the inside of the tubing is helpful. ClearVue™ Tube makes it easy to quickly spot build up or obstructions in drain lines for faster troubleshooting. Available in 5ft lengths.
